Webinar on Volunteerism—Reaching the Young Non-College Adult

August 11, 2009 at 3:00 pm ET

Peter Levine from the Center for Information & Research on Civic Learning & Engagement (CIRCLE) at Tufts University will discuss the research that the center has done about this issue. He will be joined by Julie Chavez Rodriguez of the Cesar Chavez Foundation who will lend some practical advice from her experience in the field. [Click here for more info](#).
