

Hello Young Adult Ministers!

I hope you all are having a blessed Lent. I have a few updates for you.

In this note:

- Theology on Tap
- Pew Study on Millennials in Catholic Churches
- Blog
- Justice Revival

Theology on Tap

I hope you all have the TOT dates on your ministry calendars! We will be meeting April 8, 15, 22, and 29. We have reserved a space at [BJ's in Addison](#). Our gatherings will be 7-9pm. We have 3 great speakers lined up with a 4th in progress. Stay tuned for advertising and invites – hopefully next week!

Pew Study

The Pew Research Center has produced a [report on Millennials in the Catholic churches](#). The report actually has some great information about Gen Xers as well. You can click on the different topics in the top section that says “Comparing Generations.” It’s pretty snazzy if you ask me! There’s also an [executive summary](#) you should take a look at. Or if you are an overachiever, the [full report](#) is available as well.

Blog

Don’t forget about our Dallas Young Adults Blog! A few weeks ago I posted some good resources that you might find interesting such as [CRS Resources on Haiti](#), [Lenten Prayer Resources](#), and some really neat [“True Callings” videos](#). I don’t post as often as I like, but I try to get some new things up every few weeks. Check it out today!

Justice Revival

I went to a follow-up meeting to find out what has been going on with the [Justice Revival](#) since the big event last fall. I found out that they are very interested in having churches partner with them to help in the areas education and/or homelessness. They will come to your church and meet with you on the possibilities. You can find out more on their page for [Partnership Opportunities](#).

Thanks for your service to the young adults of our Catholic community! Please let me know if I can help in any way!

Blessings,

Julie Billmeier
